All,

In anticipation of combining the AC and the ICP's into one organizational structure, the AC Operating Guide has been extended one day. There were no changes to the objectives.

Included in this email is a Rental Car Damage Cheat Sheet for any responder who experiences damage to their rental vehicle while on this response. Please ensure that all personnel on your staffs and in your sections are aware made aware of this document.

Lastly, for all personnel assigned to ICP Colorado or the Area Command, parking is not authorized on the street in front of the ICP/AC building. Overflow parking is available at URS Corporation, 211 Rock Point Drive and is a short walk from the building.

Thank you for your assistance.

Sincerely,

Erin Lambie
